Entertainment & Engagement Activities

Testimonials

“Prawaas provides us great platform to showcase our products. We are not only showcasing our products over here but we work with Bus & Car Operators, most of them are our customers, some of the are our platinum & gold customers. We are the Principal Sponsor of Prawaas for the 2nd time in a row. Prawaas is a great integration of all stakeholders coming together for everybody to understand the needs and how the future is going to pan out. I wish, we have several more editions of Prawaas in future!”- **Anuj Kathuria, Chief Operating Officer, Ashok Leyland**

“As Tata Motors, we are very happy to be associated with Prawaas in the 2nd edition also. Prawaas is not only an Exhibition but a platform for knowledge sharing. It is a very good opportunity for Operators, OEMs, Government to come together and understand what’s happening in the market. Also, the kind of audience that we get here as manufactures, they are very specific to what we would want to meet. It’s been pleasure, it’s been most well organised event and we will be happy to back again in next Prawaas!”- **Pankaj Dheer, Head Marketing, CV Passenger, Tata Motors**

“It’s very important for Indian Bus Operators to stay at one forum to push certain things forward together. This is what exactly started in 2017 and very well developed in 2019! It’s a great community of over 4000 Operators from all over India. There is good knowledge exchange and discussion to bring Industry forward. Expectations fully met!”- **Thomas Fricke, Managing Director, Daimler Buses India**

“I have been a Speaker here this time as well as last time! I think, Prawaas is doing a great job, we believe that share mobility is the future for India and I’m very happy that Prawaas is bringing together all stakeholders in making shared mobility spread in India. I believe that it’s a team game and Prawaas’s role to in getting all stakeholders together is really admirable.”- **Ravi Pandit, Chairman, KPIT Technologies**

“Prawaas is a great initiative by BOCI, it’s nice to see all these people coming together and saying what role they can play in the development of the country. Buses are the essential component of the transportation, presently in intracity, India has just 30,000 buses but within next 10 years we will need 3 lakhs buses. And the only way this can happen is through a private participation, but that needs to be under well structure public framework of how service will be delivered and I see BOCI playing very important role in this reality happening.”- **Shreya Gadepalli, Director, South Asia, ITDP**

“At Prawaas, we have seen a great Conference of all industry stakeholders, different thought leaders, strategic players and we see a great future direction coming out from here!”- **Dr. Anshu Jalora, Co-Founder, Sciative Solutions**

Testimonials

"This is the first edition for us, it has given an immense opportunity to interact with fleet owners and taxi operators. I could see a lot of Technology companies are representing their products to taxi operators so that they can actually do seamless integration. For me, Prawaas is the solution for the taxi operators as this is the only platform where all taxi operators can come and understand the technology need & importance. And with the use of technology they will be able to improve their infrastructure. People like us who are looking for these operators to integrate, would be able to get benefit out of it." – **Mohit Rajpal, Director, Make My Trip**

"Prawaas is a very good platform for all the entities related to Mobility to come on a single platform and plan for a very organised kind of Mobility Future."- **Amit Kourav, Regional Head, Quick Ride**

"This is the best Platform for the business promotion. Good leads and visitor's footfall are very much encouraging."- **Shiv Kumar Bansal, Managing Partner, HIM Imperial Auto Glass Works**

"Prawaas show brings together all Indian OEMs and end users under one show. It is also professionally organised and managed. We look forward to the next edition in 2021."- **Venky Narayanan, Manager Marketing, Allison India Pvt. Ltd.**

"We were able to create awareness about stainless steel and its applications in buses. Few leads generated overall a nice response."- **Dhananjay Mane, Associate Manager, Jindal Stainless Ltd.**

"A very well curated event for the sector. Excellent staff supporting the event."- **Arun Subramaniam, Core Team, Artilab Foundation**

"Experience at Prawaas was good. We met many different clients. This is one of the rare platforms to promote our products."- **Sneha Pawar, Sales & Support Engg., Tropicool**

"Overall very good experience & quality feedback. Nice platform to meet vendors & customers under one roof." - **Girdharilal Sharma, Director, Shree Damodar Coach Crafts**

"It is a very nice exhibition having proper visitors for bus industry. We have received response more than expected."- **Manjul Bhatia, Regional Tech Sales Manager, Lamilux**

"It has been exceptional. Healthy footfall clubbed with unique experience of exhibiting!"- **Rajiv Ranjan, Regional Manager, Trans ACNR Solutions Pvt. Ltd.**

"In terms of brand promotion, leads, the experience was quite satisfactory."- **Nitin Jain, Marketing Head, Viva Composite Panel Pvt. Ltd.**

VISION STATEMENT

The Vision Statement focuses on the future; it is a source of inspiration and motivation. Often it describes not just the future of the organization but the future of the industry or society in which the organization hopes to effect change.

VISION

To promote Health, Happiness and Economic Progress of the Society by Providing Safe, Smart, Sustainable & Environmental friendly Integrated Passenger Transportation solutions.

MISSION STATEMENT

A mission statement is a formal short written statement of the purpose of an organization. The mission statement will guide the actions of the organization, spell out its overall goal, provide a sense of direction, and guide decision-making. It provides "the framework or context" within which the BOCI's strategies are formulated.

The Mission Statement concentrates on the present; it defines the expectation of the Operators from BOCI and what actions BOCI will take to ensure that these expectations are met.

MISSION

To increase the share of Public Transport in transportation.

To engage in Policy Advocacy with Central & State Governments to put up right operating regulatory frame work of Permits & Taxation for the development of Citizen Friendly, Safe, Secure & Economically sustainable Public Transport systems.

To create level playing field amongst all Passenger Transport operators across India.

- To ensure world class Public Transport Infrastructure of the highest standard.
- To facilitate the process of integration between and within the various modes & operators of Passenger Transport.
- To bring in International best practices in operations and management.
- To produce and share Knowledge for fostering Innovation in Passenger Transport.
- To create platforms for Knowledge transition and Business collaboration amongst all stake holders.
- To evangelize the usage of cutting edge technology in all aspects of Passenger Transport.
- To actively encourage innovation in designing, developing & providing Passenger transport solutions.
- To ensure constant up gradation of Passenger Transport services including Safety, Security, Reliability, Hygiene, and Timeliness.
- To foster a conducive ecosystem for sustainable growth of the Passenger Transport operators.

AIMS

- To bring all the stakeholders from the Bus & Car Operators segment together on a single platform.
- To be an independent, unified voice that speaks for all the stakeholders of the Bus & Car Operators segment.
- To liaise with Ministry of Road Transport & Highways, Ministry of Urban Development & Ministry of Tourism to ensure development of Passenger Transportation Systems & Infrastructure as required.
- To get engaged with various Transport and Tourism development corporations at National & State level.
- To get engaged with various State Transport Ministries & Departments to assist State transporters association affiliated with BOCI to resolve state level issues.
- To get engaged with Ministries of Indian Railways, Shipping and Aviation to achieve target of providing integrated transport services to the citizens of India.
- To strive to bring in harmonization of regulatory frameworks with Central & State Governments.
- To organize an annual Event for Bus & Car Operators segment and conduct Workshops & other programs for Knowledge exchange & Business collaboration.

- To collaborate with International public Transport Federations & bodies.
- To give annual BOCI Awards to recognize good work & successes of its members in multiple categories.
- To develop Human resources through Skill development & Up skilling.
- To educate members on all issues related to Bus & Car Operators segment & strive towards their betterment.
- To enter in to agreement with Bus & Car manufacturers, Spare parts & Tire Manufacturers, Oil & Gas producing companies to ensure fair pricing, this will benefit BOCI members.
- To collaborate with Technology companies for introducing advance technologies for giving better experience to travelers & to improve operational efficiency.
- To engage with financial institutes to evolve better ways of financing of the Assets, Projects & Working capital.
- To engage with institutes like ERDA to ensure right innovative ways to insure assets and to get insurance coverage at right Premium price.
- To represent transporters at various levels of Judiciary for getting justice and to bring in reforms required for strengthening Public Transport in general & business environment for our members in particular.
- To get associated with various National & State level Industrial Bodies, Organizations, Trade unions, Associations, Federations and Confederations to achieve the target of improving share of Public Transport by road.
- To work closely with organizations working in the field of transportation including AIMTC, AITWA, AICOGOA & SIMTA.

AIMS-TEAM for UNITY
