

Empowering the World with Innovative "Make in India" Products

India Electronics Expo 2024

India has registered a quantum growth in electronics hardware, consumer electronics and component manufacturing driven by pro active Government of India policies, incentives and planned & time bound implementation of the projects

A platform for worldwide exhibitors & delegates to interact and develop business opportunities as per their mutual interests.

The Expo showcases the whole spectrum of electronic technologies, pioneering products and solutions, while also providing information on the newest research and application trends. Products displayed include consumer electronics, IT hardware, embedded products & technology, aerospace & defence electronics, automotive electronics, telecom equipment & accessories, sensors & IoT devices, medical electronics & equipment, solar panels & equipments, security electronics/CCTVs, and many more.

Visitors Business Interest

- ✓ Consumer Electronics
- ✓ Embedded Technologies
- ✓ Fire safety equipment
- ✓ Computer Hardware & Accessories
- ✓ Inventory Management
- ✓ Optical disc drive
- ✓ Routers
- ✓ Voice-Powered Technologies
- ✓ Integrated Circuits
- ✓ Cyber Security
- ✓ Energy Meters
- ✓ GPS tracking devices for automotive and fixed equipment
- ✓ IT Hardware Accessories and Equipments
- ✓ Photovoltaic panels
- ✓ Smart Cities
- ✓ CCTV and Other electronics
- ✓ IoT Devices and Sensors
- ✓ Enterprise Application & Solutions
- ✓ Hard disk drive (HDD)
- ✓ Mobile Phones
- ✓ PoS Terminals
- ✓ Solar Powered products
- ✓ Cloud Computing
- ✓ Drones
- ✓ ERP systems
- ✓ Industrial equipment (printers, computers, packaging equipment)
- ✓ Monitoring and control instruments
- ✓ Power electronics
- ✓ Vending machines
- ✓ Batteries
- ✓ Electronics Components
- ✓ Boards
- ✓ Office equipments
- ✓ Retail Data Tracking
- ✓ Virtual Medical Care

Testimonials - Indian Exhibitors

Our special thanks to ESC team who have managed and organized this event very professionally and efficiently

Mr Y D Wadaskar, CEO,
Wyse Biometrics Systems Pvt Ltd

The event attracted Industry leaders from the Electronics Industry and created opportunities for us to work and collaborate with the industry

Mr Saleem Ahmed
Vice-President, ESSCI

Capximize India received an overwhelming response from both international as well as Indian visitors @ India Electronics Expo.

Mr Sanjeev Pandey
Regional & Marketing Head,
Capximize India Pvt Ltd

The exhibition indeed gave opportunities for valuable networking & engaging discussion with business experts globally.

Mr Arun Kumar Singh
Director,
Phytec Embedded Pvt Ltd

We got response better than expectation for IT Hardware & Memory Products from India as well as from many other countries.

Mr Ankur Dwivedi
Sahasra Electronics Pvt Ltd

We got a good lead in India Electronics Expo. We are at final stage of finalizing an order with couple of customers worth 20-30 Crore.

Mr Jayaramu N
Senior Manager,
Kaynes Technology India Limited

Testimonials - Foreign Delegates

I had the opportunity to make fruitful B2B meetings, for the purpose of international partnership between my Senegalese company and Indian companies.

*Mr Cisse Elhadji Fabore, CMD,
Jumtimol Holding Sas, Senegal*

I am simply dazzled by the quality of the organization of the event, and also the quality of the exhibitors and quality of products.

*Mr Fozeu Pierre Marie, C.E.O,
Africa Contractors Sarl,
Cameroon*

It was a wonderful and great exhibition to participate in and learn from our Indian brothers

*Mr. Sydney Chiyaba, Founder & CEO,
Prime Information Systems Limited,
Zambia*

It was very insightful and I have made a lot of useful contacts. I have already started engaging some of the suppliers.

*Mr Mukesh Mark Ramsingh,
Metro Hotel Ltd,
Trinidad & Tobago*

If it is my first time to participate in an event of such magnitude the exhibitors were really warm and very welcoming.

*Mr. Gnagna Kossitse Edem
Ets Koudaya & Fils, Togo*

The event was wonderful keeping in mind the "Make in India" theme (Especially the eagerness, aggressiveness & contents of Exhibitors in showcasing and Pushing their products for export markets)

*Mr. Devang Lakhani, Country
Manager, Link-Ghana, Ghana*
