Dear Madam,

This is to introduce our organization, World Malayalee Federation (WMF) is the largest pravasi network for the Malayalee community in the world, a non-commercial and non-profit organization. WMF was formed on September 21, 2016 with its headquarters and first unit in Vienna, Austria and it has its presence in 162 countries.

Recently we have noticed that WMF is not seen in the database / list of Indian Associations overseas with the Govt. of India. In this connection we request you to do the formalities to add our organization in the above-mentioned list and in the list of Indian embassy, Vienna as well.

If you need any more assistance, please contact us.

Looking forward to hear from you soon.

Thank you in advance

Yours faithfully

Dr. Prince Pallikunnel (Augustin)
