BOILERTM INDIA **2022**

CONGREGATE | LEARN | GROW

MUMBAI | INDIA
www.boilerworldexpo.com

A world full of renewed vigour and fervour awaits!

Key factors driving growth in the boiler industry:

- **Rapid growth in manufacturing sectors**
across the globe
- **Demands of consumer industries**
stimulating developments in the boiler technology
- Focus of boiler manufacturing companies on
**development of highly efficient,
environment-friendly and safe boilers**

According to a research, the global industrial boiler market was valued at USD 12.8 billion in 2018 and is expected to reach USD 20 billion by the year 2026, at a CAGR of 5.8%.

The Asia-Pacific is expected to account for about 40% of the global industrial boiler market, holding the highest growth rate compared to various other boiler markets. India is expected to be a key driver of growth in Asia with highly potential consumer industries and the globally acclaimed 'Make in India' program for the manufacturing sector.

Get ready to steam-up the boiler industry again with BOILER INDIA 2022

A mix of **Trade fair**

Seminars

Live demonstrations

B2B networking

This platform offers limitless opportunities to

250+ **2500+**
exhibitors **delegates**

with participation from across the globe

**Ample business
visitors from across
the user spectrum**

Who should exhibit?

- Boiler manufacturers
- Boiler component manufacturers
- Turbine manufacturers
- Ancillaries - tube, pipe, valve, pump, fan, fitting, joint, measurement & control instrument and equipment manufacturers
- Technology & service providers
- Pressure vessel, heat exchanger, compressor manufacturers
- WTP, ETP & other pollution control equipment manufacturers
- Professionals in NDE, energy audit, RLA and R&M
- Dealers, traders and distributors

Why exhibit?

- Exposure to the global boiler industry **under one roof**
- Opportunity of networking with **large-scale prospective buyers** from across the globe
- Opportunity to interact with the **regulatory authorities**
- Exposure to **novel technologies and advancements in the industry**
- Opportunity to **find prospective alliances** for profitable business collaborations
- Opportunity to explore the **global market**

Who visits?

- Purchase personnel from boiler-user industries - chemical, pharmaceutical, food & beverage, rice, sugar, textile, steel, refinery, power plant, etc. from across the globe
- Engineers/operators looking for new technology
- Purchase personnel from boiler manufacturing companies
- Investors/bankers/venture capitalists
- Regulatory authorities/policy makers/urban planning specialists/utility & energy companies
- Design engineers/consultants
- Renewable energy project developers
- Agencies dealing in instrumentation
- R&D institutions
- Academicians & students

Exhibition itinerary

Day 1

On-the-spot registration	9:00 am
Inaugural ceremony	10:00 am
Entry opens	10:00 am
Lunch	1:00 pm to 2:30 pm
High-tea	4:00 pm to 5:00 pm
Entry closes	6:30 pm

Day 2

On-the-spot registration	9:00 am
Entry opens	10:00 am
Lunch	1:00 pm to 2:30 pm
High-tea	4:00 pm to 5:00 pm
Entry closes	6:30 pm
Gala dinner	7:30 pm onwards

Day 3

On-the-spot registration	9:00 am
Entry opens	10:00 am
Lunch	1:00 pm to 2:30 pm
Dismantling begins	3:00 pm
High-tea	4:00 pm to 5:00 pm
Entry closes	5:00 pm

How to become an exhibitor?

Knowledge sessions at BOILER INDIA 2022

18+ Knowledge Sessions
Eminent Speakers

Why attend?

- **Meet leaders**, experts, manufacturers and industry giants
- **Know about state-of-the-art technological developments**, facilitating manufacturers to build efficient, cost-effective and environment-friendly boilers
- **Understand IBR Act 1950** in detail
- **Understand various international codes** such as ASTM, GHOST, ASME, ANSI, AGA, API, BS, ISO, DIN and more
- **Know of practical solutions** to commonly faced challenges
- **Get expert advice** on boiler and boiler component selection
- **Witness relevant case studies** and critical discussions about the industry
- **Network with government authorities** and technical experts
- **Visit BOILER INDIA 2022 expo** at the same venue

Who can benefit?

- Professionals from boiler & heat transfer industry
- Steam generators/users
- Career aspirants
- Designers & consultants in heat/steam industry
- Heat exchanger & pressure vessel manufacturers
- Boiler, boiler components & ancillary manufacturers
- Government, trade authorities/policy makers/inspection authorities
- Academicians and students
- Testing & certifying agencies
- Water chemistry professionals
- Water treatment plant manufacturers & operators
- Effluent treatment, ash utilisation & pollution control professionals

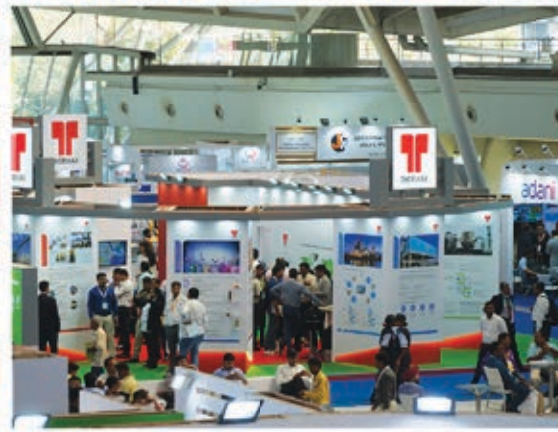

Best Boiler User **Awards**-2022

These awards were introduced in BOILER INDIA 2020 with a vision to recognise

- Enhancement in boiler performance
- Enhancement in combustion and thermal efficiency
- Emergence of newer, cleaner & environment-friendly technologies
- Adoption of effective safety measures & pollution control practices

for the following boiler-user industries

- Power plants
- Captive/co-generation (steel/cement/chemical/petrochem)
- Sugar factories
- Pharma/chemical/dairy/hotels/food
- Textile houses/process houses/edible oil/paper/ordnance/distilleries
- Sizing/rice mills/other small industries including SIB type of boilers
