

About IMC INDIA CALLING CONFERENCE

Established in 1999, **IMC India Calling Conference** has since become one of the most important international business events for industry and businesses in India and around the world.

The IMC India Calling Conference provides platform for Indian and global players to come together and debate, share insights and explore potential investment opportunities and establish collaborations.

Indian and international experts from leading industry and Government share insights into development of markets in India, policy inputs and opportunities for companies to invest and collaborate in these areas.

Chairmen & Managing Directors, Directors, and Executives of Indian and overseas companies in diverse sectors, top bankers from private and public sector banks, MSMEs, exporters and importers, entrepreneurs, investors, Indian and foreign Ambassadors and High Commissioners, officials of diplomatic missions, government officials, academia, banks and financial institutions, think tanks and NGOs have been participating in IMC India Calling Conference every year. Many Union and State Ministers, and business leaders have addressed IMC India Calling Conferences in past as also ministers and business leaders from other countries.

The IMC India Calling Conference Cum business delegation explores potential investment and business opportunities. This conferences have helped establishing trade partnerships, enhancing exports, investment into India, joint ventures and technological collaborations.

The India Calling Conference is organized in overseas destinations as well as in India. For the first few initial years, the Conference was organized in India for overseas Indians followed by next few years in other countries. Now for last few years, IMC India Calling Conference is taking place in Mumbai, India.

The India Calling Conferences have been supported by Ministry of Overseas Affairs, Ministry of External Affairs, Invest India and several state governments. It has facilitated understanding of India as culturally diverse, plural society and as a country offering great opportunities in safe, secure and predictable environment.
