Urgent Advisory

Recently, some incidents have come to the notice of the Embassy of India in Vienna that some fake person is making calls to Indian residents/visitors in Austria saying they filled up their immigration details wrongly due to which legal action has been initiated. The fake person asks to transfer money through wire and does not allow the unsuspecting Indian to disconnect the call.

Embassy of India, Vienna hereby advises all Indian citizens to strictly avoid entertaining any such calls. Embassy of India does not make such calls. If any Indian citizen receives such calls he/she should immediately inform the Embassy of India Vienna at hoc.vienna@mea.gov.in and cons.vienna@mea.gov.in with all details.
